2.0 Types of Modules Offered

'Level' refers to the level of difficulty and rigour of a particular module irrespective of the year it is offered in or when it is taken by a student.

Module Type	Definition
Level 1000 Level 2000 Level 3000 Level 4000	These modules vary in difficulty and depth at Undergraduate study - Level 1000 indicating the lowest difficulty and depth, and Level 4000 the highest.
Level 5000	These modules are designed for a graduate level of depth, analysis and application.
Major Core	These are compulsory modules which all students registered for a particular Major must read and pass in order to satisfy his/her graduation requirements.
Major Option	These are modules which are offered as part of a Major and count towards the requirements for graduation with a Major.
Compulsory Breadth	These are modules that all students must read and pass to satisfy their graduation requirement.
Breadth	These are modules which students are free to choose to read and pass to satisfy the breadth requirements of their degree. They can be taken from within the Faculty or across Faculties. Please see paragraph 5.1 for further breadth requirements.

3.0 Degrees Offered by Faculty

Bachelor of Arts (B. Arts)

4.0 Majors Offered by Faculty

Major disciplines include the following: Sociology-Anthropology; Bahasa Melayu & Linguistik; Geography, Environment and Development; History and International Studies; Kesusasteraan Melayu; and English Studies.

5.0 Graduation Requirements

In order to graduate, students need to have passed a minimum of **140 Modular Credits** and have fulfilled all other University, Faculty and Programme requirements.

The Modular Credit Requirements:

Type of Module	Modular Credits (MCs)
Major	Minimum 72 MCs (Single Major) Minimum 52 MCs for each major (Double Major)
Compulsory Breadth	16 MCs MIB (4 MCs) (<i>The MIB module is replaced by the Introduction to Brunei Darussalam module for non-Bruneian citizens</i>); English Communication Skills (8 MCs); Islamic Civilisation and the Modern World (4MCs)

Outside Faculty Breadth	At least 16 MCs
Discovery Year	32 MCs
Level 1000	Maximum 40MCs.
Total MCs to graduate	140 MCs

5.1 At least 16 MCs will have to be taken from outside the Faculty, of which at least 4 MCs must be taken from the Faculty of Science (FOS), PAPRSB Institute of Health Sciences (PAPRSBIHS), School of Digital Science (SDS), Centre for Advanced Material and Energy Sciences (CAMES) or the Faculty of Integrated Technologies (FIT).

5.2 A student may read up to a maximum of 40 MCs of Level 1000 modules. A maximum of 40 MCs of Level 1000 modules will count towards credit accumulation of 140 MCs in order to graduate.

5.3 Students are required to undertake two semesters of the Discovery Year Programme. For the Study Abroad Programme (SAP), the MCs are calculated per module taken and they are not counted towards GPA and cGPA calculations. However, modules may be counted towards the major. Internship, Community Outreach Programme and Innovation/Incubation Projects each have a value of 16 MCs for one semester.

5.4 A student must have completed a minimum of 24 MCs of Level 4000 modules to graduate. Level 5000 modules that are taken by undergraduate students will be given a Level 4000 status. However, a maximum of 8 MCs of Level 5000 modules may be taken by an undergraduate.

5.5 A student may graduate having successfully completed a minimum of 140 Modular Credits, and having satisfied all the requirements for Graduation stated in this document, in the UBD Generation Next Degree Programme Rules and Regulations document, as well as in the FASS BA Programme Structure document within the period of six years of candidature.

6.0 Modes of Study

6.1 Single Major

Students may follow the Single Major mode of study by completing a minimum of 72 Modular Credits in their declared Single Major discipline. Students must complete their study within a maximum of 6 years.

6.2 Double Majors

6.2.1 Students who wish to take a Double Major degree within FASS (by the Dean's recommendation) must successfully complete a minimum of 52 MCs in each of two Major programmes. This will allow for the Compulsory Breadth Modules (16 MCs) and the Discovery Year programme (32 MCs, some of which may be counted towards their major), adding up to 140 MCs minimum in order to graduate. Students must complete their study within a maximum of 6 years.

6.2.2 Only students with a minimum cGPA of 3.0 for their first year of study will qualify for this route. Eligible and intending students must apply to do a Double Major degree at the end of their second semester.

- 6.2.3** Double Major students must maintain a minimum CGPA of 3.0 for both programmes in any two consecutive semesters, failing which they must revert to the Single Major route.
- 6.2.4** Students who wish to take a Double Major degree within FASS must take a minimum of 16 Modular Credits at Level 4000 for each major.
- 6.2.5** A FASS student wishing to take a second Major in another faculty will need to satisfy the minimum requirement in FASS for the First Major (52 MCs), and will be subject to the minimum requirement of the other faculty for the second Major. A FASS student taking this option will upon graduation receive a B. Arts degree, but the second Major taken in another faculty will appear on the degree transcript. If the second Major is taken in FOS, PAPRSBIHS, SDS or FIT, the student is exempt from the compulsory breadth requirement of 4 MCs in these faculties.
- 6.2.6** A student from outside FASS wishing to take a second Major (for the Double Major) in FASS will be required to successfully complete a minimum of 52 Modular Credits in the FASS Major programme chosen, and will be subject to FASS Rules and Regulations as far as that Major is concerned. Upon graduation, the second Major programme taken in FASS will appear on the degree transcript. A candidate from FOS, PAPRSBIHS or FIT is exempt from the compulsory breadth requirement of 4 MCs in FASS.
- 6.2.7** If the student is a UBDSBE or APB Major wanting to take a FASS Major (Double Major), due to the similar nature of the Majors, he/she must still take a breadth module from FOS, PAPRSBIHS, CAMES, SDS or FIT as required by the UBD Generation Next Degree Programme Rules and Regulations.

6.3 Double Degree Programmes

- 6.3.1** Students may opt to major in two subjects from two different faculties contingent upon recommendation by the Dean. To qualify, a student will need to have achieved a minimum cGPA of 3.5 for their first year of study. Eligible and intending students must apply to do a Double Degree programme by the end of their second semester.
- 6.3.2** Successful candidates must complete a minimum of 72 MCs in FASS, and complete their study within a maximum of 7 years.
- 6.3.3** A Double Degree student will need to complete the Compulsory Breadth modules (16 MCs) and the Discovery year component (32 MCs, some of which may be counted towards their major).
- 6.3.4** To remain on the Double Degree programme, a student must maintain a cGPA of 3.5 for both programmes in any two consecutive semesters, failing which the student must revert to a single degree programme.
- 6.3.5** Having satisfied all the graduation requirements, a student opting to take this route will graduate with degrees in two disciplines (e.g. B. Arts and B.Sc.).

- 6.3.6** Note that students wishing to take up a Double Degree in FASS and in another faculty will need to satisfy the minimum requirement for the FASS Degree (72 MCs), and will be subject to the minimum requirement of the other faculty for the Second Degree.
- 6.3.7** A student from outside FASS wishing to do one of his or her Double Degrees in FASS will be required to successfully complete a minimum of 72 Modular Credits in the FASS Major chosen, and will be subject to FASS B. Arts Degree Rules and Regulations as far as that Major is concerned.
- 6.3.8** If the student is a UBDSBE Major wanting to take a FASS Major (e.g B. Business and B. Arts Double Degrees), due to the similar nature of the study, he/she must still take a breadth module from FOS, PAPRSBIHS, SDS, CAMES or FIT as required by University Regulations. A candidate from FOS, PAPRSBIHS, SDS or FIT is exempt from the compulsory breadth requirement of 4 MCs in FASS.

7.0 Module Classification (Codes)

The alpha combinations are as follows:

Module Code	Major/ Breadth Disciplines
AZ	Sociology-Anthropology
AB	Bahasa Melayu & Linguistik
AW	Geography, Environment and Development
AH	Historical Studies
AS	Kesusasteraan Melayu
AN	English Studies

8.0 Modules Offered in the Faculty

Unless otherwise stated, all FASS modules can be taken as either Major or Breadth. As Breadth modules they are open to students from all other undergraduate programmes, subject to pre-requisites/anti-requisites. A collection of approved modules (minimum six modules = 24 MCs) in a single programme will qualify the students for Minor status in that programme.

9.0 Signing up for Modules

Students should seek the advice of their Academic Advisors and/or Programme Leaders prior to signing up for a module. This is so that they can make informed decisions about the modules they wish to take, and the direction they wish to take in their degree.

10.0 Advanced Placement Credits/ Credit Transfers

- 10.1** The number and types of modules from which a mature student or non-normal route student is exempt will be dealt with on a case-by-case basis.
- 10.2** FASS at its discretion will exempt students from certain modules if they have achieved credits from another degree-level programme at a recognised university or institution based on the relevance and similarity of content to the programme applied for in FASS, subject to UBD Generation Next Degree Programme Rules and Regulations.

- 10.3** For a student transferring to another GenNEXTt Major programme from their previous major programme in the same candidature, UBD GenNext Parent Rules and Regulations will apply.
- 10.4** For a student transferring to another GenNext Degree programme from their previous degree programme, UBD GenNext Parent Rules and Regulations will apply.
- 10.5** Credit Transfer from a non-degree level programme (e.g. Certificate, National Diploma, Ordinary National Diploma, Higher National Diploma etc.) will be considered on a case- by-case basis.

11.0 Academic Advisors

Faculty members will assume the role of Academic Advisors for their respective programmes.

12.0 Attendance and Barring

Students are strongly encouraged to attend all lectures. Attendance at tutorials is compulsory. If a student fails to attend 60% of the tutorial sessions for a particular module, he/she will be barred from taking the examination for that module (See University Examination Regulations and Procedures).

13.0 Application of Regulations

- 13.1** Clauses 5.1, 6.2.5, 6.2.6, 6.2.7, 6.3.8 amended in June 2023, are effective from August 2021 intake onwards.
