1216 Z-M3: mm
1216 Z-M1: *ya lah (.) in other words I'm telling you that apa ni (.) if she: she says she's gonna focus on herself tapi kalau (2) she can't lie to (.) she can lie to us atau kau basically but she can't lie to herself basically eventually she will realise that atu (.) ada some things yang ia buat salah lah*
1237 Z-M3: mm
1239 Z-M1: *tapi I'm not s- atu lah bagi ku (.) in a break up (1) the most the best way to handle it is to let yourself feel what you feel 'cause you have to [go through*

1253 Z-M2: meaning [that
1253 Z-M3: [feel what you feel?
1254 Z-M2: *awu macam (.) kala kau rasa (.) yatah apa yang ku gitau si <Z-M1> dulu tu (.) jangan rush dirimu with to macam wanting to (.) feel better again wah (.) yatah macam macam (.) kalau kau rasa sedih awal ani (.) you should accept the fact that kau sedih (.) bukannya you don't hide it (.) if you hide it that's when like (.) you know you bottle [things up
1273 Z-M1: [kau tau five stages of grief?
1275 Z-M3: *inda*
1276 Z-M1: *kira (.) ada ((sniffs)) (1) ia ada lima tu tapi yatah (.) the hardest part about it is pasal atu you can jump from one step to the other wah and it doesn't atu (.) basically starts with denial and isolation macam awal awal awal ani kau macam sendiri sendiri sama denial kau macam (.) eh (.) [mungkin [sana eh*
1294 Z-M3: ((laughs))
1296 Z-M1: *inda yatah ani aku explain arah kau ni awal ani*
1298 Z-M3: ((laughs))
1299 Z-M1: *jap (.) cana ah (3) tapi yalah (1) awal awal kau in denial and isolation atu paling awal tu yatah right now kau rasa macam eh inda banar ni she'll come back to me and whatnot cam*
1309 Z-M3: *mm*
1310 Z-M1: *inda kau dapat accept wah (.) and then after you finally realise yang anu banar kamu putus you'll go into anger marah tia kau macam (1) apakan (.) udah jua ku buat apa yang apa apa yang ia mau apa lagi ia mau kan macam (.) you will apa ni macam (.) usually urang after putus ada durang get into stage yang durang marahi durang punya ex (.) macam apa ni durang vent tapi [durang vent*
1330 Z-M2: [mm
1331 Z-M1: *cara durang vent atu macam durang tu terus marah ex nya*
1333 Z-M2: *okay*
1333 Z-M1: *you will get into that stage after atu usually after denial and isolation (.) then after that comes depression where kau rasa sedih sentiasa*
1341 Z-M3: *mm*
1342 Z-M1: *mesti ada tu (.) and then*
1344 Z-M3: *(((chuckles))*
1344 Z-M1: *[lepas tu barutah bargaining where kau apa ni kau macam eh mungkin in the future there might be a chance that atu me and her will meet again and kau macam bagitau kau yourself*

- 1375 Z-M1: *((laughs)) it's okay it's okay never mind (.) thank you (.) atu sekali (1) apa ni after (.) ah atu (.) ah yatah after depression baru tah diriku macam ah (.) mungkin (.) if I get better she will want me maybe it's the right person but the wrong time macam you're trying to find reasons (.) kira macam you're trying to gather pieces any piece that you can get from it wah so basically macam kalau kau becakap sekiranya tah kau becakap sama ia semula (.) macam even though kamu becakap macam (1) jarang berabis kau macam eh cukup ni untuk ku (.) maybe if aku cakap sikit sikit cani eventually ia makin banyak cakap macam bargaining wah macam basically (1) you're trying to be (.) apa ni (.) you're trying to get anything that you can padahal you know that it's not enough then ujungnya after that barutah acceptance tapi the problem with the five stages stages of grief ani you can jump from one stage to another just like that { {clicks finger} } atau you can be in multiple stages at one go (1) and it can take months lah if you don't basically if kau (.) cuba force yourself to skip from (.) isolation and denial to acceptance it won't work 'cause as I said kau (.) apa ni (.) you: go from one stage to other cematu saja wah (5) thank you (2) yang ani mesti bechos jua*
- 1450 Z-M2: *a:pakan [kau ni (.)*

- 1485 Z-M3: *[mm*
- 1485 Z-M1: *until (.) eventually you reach (.) yatah tu (.) when (.) apa ni shadow mu ilang masa kau gelap*
